RESI GLOBAL PARTNERING CONFERENCE

GRANTS, SEED, ANGEL, SERIES A, SERIES B

Life Science Nation (LSN) runs the Redefining Early Stage Investments (RESI) Conference series to accelerate opportunities for you. RESI is an established and ongoing conference series that provides an international venue for early-stage life science companies across Biotech, Medtech, Diagnostics and Digital Health, to source investors from around the globe, create relationships, and potentially, secure funding. This fall, RESI will expand to include the earliest stage companies from the discovery stage through venture stage: companies seeking grants, seed, angel, series A, and series B funding.

LSN invites tech hubs, entrepreneurs, investors, strategic partners, and service providers to the RESI conference on September 6, 2018 at Boston Marriott Copley Place.

YOU ARE INVITED	
NEW Incubators, tech transfer offices, universities, hospitals, research labs and their members located within the Northeast Corridor - DC, MD, PA, NJ, NY, RI, CT, MA	Biotech, Medtech, Diagnostics and Digital Health to source global investors and strategic partners, create relationships, and potentially, secure funding

TOP 3 BENEFITS OF ATTENDING

1. Access Up to 400 Global Investors from LSN's Established Partner Network

These vetted investors regularly attend RESI Conferences to source, engage and allocate funds to startup firms in the Biotech, Medtech, Diagnostics, and Digital Health sectors.

2. Form Connections with Investors Who Are a Fit for Your Company

LSN is bringing together the healthcare innovators and their constituents under one roof for relationship building with global investors and strategic partners who are looking for investment opportunities from pre-seed through series B fundraises.

3. Showcase Your Program Technology Assets to Global Partners Who Seek Them

LSN will offer one exhibit table to each tech hub for their program. Each organization can have up to 5 poster boards with their table to showcase their constituents, portfolio companies and technology assets. This includes access to partnering and networking all day.

Venue Location: Boston Marriott Copley Place, 110 Huntington Ave, Boston, MA 02116

SHOWCASE YOUR PROGRAM, YOUR TECHNOLOGY COMPANIES, AND THEIR ASSETS

This fall, RESI will expand to include tech hubs and companies from the First Coast: DC, MD, PA, NJ, NY, RI, CT, and MA.

LSN will offer exhibit tables to the **incubators, accelerators, tech transfer offices, university translation initiatives, hospitals, research labs** and their constituents, with limited space for incubator members' poster boards (5 poster boards total). LSN's network of early-stage global investors will have access to all the key players in one place and learn about the iterative, breakthrough, and transformative technology coming out of the First Coast region.

[Stetson Family office](#), a Title Sponsor of RESI and a supporter of the Innovator's Gathering, is pioneering new global funding initiatives and platforms to help the early stage players move faster through the development cycle. Stetson will be hosting a lunch to talk about these programs to the First Coast Tech Hubs executives and their team.

\$500 FOR FIRST COAST TECH HUBS INCLUDES:

- 2 Tickets for Executive Management Team of the Tech Hub
- 1 Exhibitor Table
- Featured in Program Guide Profile
- All Day Access to Partnering, Networking, Panels and Workshops
- Up to 5 Poster Boards showcasing technology assets (\$300 Member Ticket Each)
- Continental Breakfast, Stetson Family Office's Luncheon (You're Invited), and Cocktail Reception

Attendees can schedule up to 16 meetings during the Partnering Forum and have many more ad-hoc meetings with early-stage global investors and channel partners.

GET ON THE RADAR OF GLOBAL INVESTORS AND CHANNEL PARTNERS

This fall, RESI will expand to include tech hubs and companies from the First Coast: DC, MD, PA, NJ, NY, RI, CT, and MA.

Tech hub members can attend at a reduced rate so they have an opportunity to connect with global investors and strategic partners. Tech hub members have an opportunity to showcase their technology and assets in a poster board format with their tech hub table. If your tech hub is not attending (although we encourage them to), all tech hub members can participate in partnering and networking all day, and explore all the conference has to offer.

\$300 FOR TECH HUB MEMBERS INCLUDES:

(with your tech hub discount code applied; Max: 5 tickets at \$300 per tech hub)

- 1 Tech Hub Member Ticket
- Present Your Technology in a Poster Board Format with Your Tech Hub
- Company Datasheet Featured on Website and Newsletter
- All Day Access to Partnering, Networking and Panels
- All Registered Attendees Eligible to Apply for First Coast Innovation Challenge
- Continental Breakfast, Lunch, and Cocktail Reception

Attendees can schedule up to 16 meetings during the Partnering Forum and have many more ad-hoc meetings with early-stage global investors and channel partners.

REDEFINING EARLY STAGE INVESTMENTS

(RESI) CONFERENCE

The Redefining Early Stage Investments (RESI) conference is the premier investor conference in the early stage life science arena. RESI brings together early-stage global investors, fundraising CEOs, scientist-entrepreneurs, strategic partners, and service providers. All First Coast Innovator's Gathering attendees and all other global attendees are invited to the RESI Series Conference Day.

RESI is an established and ongoing conference series that provides an international venue for early-stage life science companies across Biotech, Medtech, Diagnostics and Digital Health, to source investors from around the globe, create relationships, and potentially, secure funding. The day is focused on partnering and networking for all attendees.

Life Science Nation brings its large, early-stage global investors network to the game, including Family Offices, Venture Philanthropy Funds, VCs, Angel Groups, Corporate Venture Capital Funds, and more.

STARTS AT \$1,295 FOR GLOBAL ATTENDEES INCLUDES:

- 1 Attendee Ticket
- Up to 16 Scheduled Partnering Forum Meetings (30 Mins Each)
- Ad Hoc Meetings throughout the Entire Day
- All Day Access to Partnering, Networking, Panels, Workshops and Exhibit Hall
- All Registered Companies Eligible to Apply for RESI Innovation Challenge
- Continental Breakfast, Lunch, and Cocktail Reception

CALL FOR INNOVATION CHALLENGE APPLICANTS

LSN invites all global early-stage companies across biotech, medtech, diagnostics & digital health to apply for the RESI Innovation Challenge. Selected companies will showcase their technology in the exhibit hall and gain more visibility from the early-stage investors in attendance.

All eligible tech hub members from DC through Boston are also invited to apply to the First Coast Innovation Challenge and have the chance to pitch your technologies to a panel of investors.

GLOBAL EARLY-STAGE COMPANIES

FIRST COAST TECH HUB MEMBERS

- Top 30 selected companies will showcase their technology in a poster format in the exhibit hall at the RESI Conference.
- Open to all companies attending RESI Boston 2018 September Conference: across Biotech, Medtech, Diagnostics & Digital Health.
- Top 5 ranked companies of the First Coast tech hubs will present their technology as a 10-minute pitch to a panel of early-stage investors.
- Open to the constituents of incubators, tech transfer offices, universities, hospitals, and research labs located within the Northeast Corridor.
